2024 RECREATION AND SPORT LEADERSHIP CONFERENCE

COLLABORATE. INNOVATE. CREATE.
BUILDING HEALTHY COMMUNITIES TOGETHER

October 18 – 20, 2024 -- Iqaluit, NU

AT A GLANCE

FRIDAY, OCTOBER 19 - WELCOME RECEPTION

- ✓ Official Welcome & Networking
- ✓ 2023-2024 Best Practices
- ✓ Building Healthy Communities through Recreation and Sport Panel Discussion

SATURDAY OCTOBER 20 & SUNDAY, OCTOBER 21

- ✓ **Grant Opportunities & Tips for Success**
Community Recreation runs on grant money! Learn what grants are available and how to find them, tips to write a successful application, and be led through an application with the opportunity to receive funding for your project almost immediately! You'll create and learn about the components you'll need including budgeting, the importance of post-grant reporting, and what funders are looking for in grant applications.
- ✓ **Communication and Individual Leadership Style**
Communication is a key part of great leadership. As a leader, it's important to identify what your individual style is for inspiring the people you lead. In this session, we will explore different styles and techniques for effectively leading your staff.
- ✓ **Effective Leadership in Recreation Settings**
Leading your recreation staff can be challenging, but also rewarding with effective leadership. Learn techniques for dealing with conflict, problem solving, and team building.
- ✓ **Making a Difference In Your Community – A Community Development approach**
Recreation helps to build and foster a sense of community, but Recreation staff can't do it alone. This session provides the foundation for Recreation staff to have an even greater impact in the community by working with other groups and organizations, identifying needs in the community and learning how to engage and work effectively with community organizations.
- ✓ **Spaces and Places – Managing & Preparing Your Facilities for Winter**
Facilities are integral piece to a community's health. They are places that we gather, socialize and get active, especially in winter when the cold drives people inside. In this session, we'll provide best practices in getting your facility ready for winter, including tips on making ice, ensuring your ice resurfer is ready for another season, and other useful tips to ensure your facility remains open and available at any time of year.
- ✓ **Regional Meetings**
Here's your chance to meet with counterparts in your region in a moderated, focused session to share regional challenges, solutions and best practices before reconvening with the others to summarize your discussion and findings.
